OVERVIEW

In Aquakita our proposal is to combine the technology and fun, to develop the best projects and create greatest waterparks. Be at the forefront of developing new attractions uniquely designed for each customer.

By selecting the highest quality materials, specialized manufacturing equipment and highly trained professionals, we are able to create a safe and reliable product that combines security and aesthetics.

Years of leadership in teh waterprk industry allow us to provide wholesome entertainment ans ensure maximum safety in our slides and its surroundings. Aquakita manufactures a variety of high quality products and provides professional advice and blueprint for the construction of an extraordinary waterpark
